

CALL OF ELECTION

The Board of Directors of Ocotillo Water Conservation District (District) has called for an election to be held for the office of Director at Large on Tuesday, November 14, 2023. The election will be conducted pursuant to the statutory “acreage system of voting”. Qualified electors must have been landowners of record of lands in the District prior to August 16, 2023. The voter registration list will be prepared from the property tax rolls provided by Maricopa County. If land is held of record by an estate, corporation, partnership, limited liability company, or trust, such entity must designate in writing the personal representative, officer, partner, member, or trustee, respectively, authorized to cast the votes of such entity. If such an entity does not have a designation of its authorized voting representative on file with the District, then such designation must be received by the District no later than 5:00 p.m. on October 13, 2023, in order for the entity to vote in this election.

Qualified electors desiring to be candidates for this election may obtain Nomination Papers and Nomination Petitions from the District Office, which is located at 160 N. Pasadena, Suite 101, Mesa, AZ 85201. Completed Nomination Petitions and Nomination Papers must be received by the District no later than 5:00 p.m. on July 17, 2023.

Voters will be allowed to write-in a candidate’s name; however, the District expects that the election will be cancelled pursuant to A.R.S. § 16-410. As such, any write-in candidate Nomination Papers must be filed by a candidate with the District no later than 5 p.m. on July 31, 2023, in order to avoid having the election cancelled. If the election is not cancelled, a Nominating Petition signed by ten or more qualified electors in the District can be filed by a write-in candidate at the District Office no later than 5 p.m. on November 3, 2023.

If the election is not cancelled, the polls will open at 8:00 a.m. and will close at 6:00 p.m. The polling place shall be the District office, located at 160 N. Pasadena, Suite 101, Mesa, AZ 85201.

Dated this 27th day of June, 2023
